

Special Issue: Mobilizing communities to create a supportive environment to help eliminate vertical transmission

Shirin Heidari

10 May 2011, Geneva

JIAS Supplement 2010: <http://www.jiasociety.org/supplements/13/S2> Family-centred services for children affected by HIV and AIDS

Volume 13
Supplement 2
June 2010

**JOURNAL OF
THE INTERNATIONAL
AIDS SOCIETY**

Family-centred services for children affected by HIV and AIDS

Guest Editor: Linda Richter
Supplement Editors: Susan Kippax and Shirin Heidari

**JOURNAL OF
THE INTERNATIONAL
AIDS SOCIETY**

Volume 13
Supplement 2
June 2010

Family-centred services for children affected by HIV and AIDS

Guest Editor: Linda Richter
Supplement Editors: Susan Kippax and Shirin Heidari

Contents

Editorial: Visioning services for children affected by HIV and AIDS through a family lens
Linda Richter, Chris Beyner, Susan Kippax and Shirin Heidari

An Introduction to family-centred services for children affected by HIV and AIDS
Linda Richter

Family-centred approaches to the prevention of mother to child transmission of HIV
Theresa S Betancourt, Elaine J Abrams, Ryan McBain and Mary C Smith Fawzi

Lessons learned from family-centred models of treatment for children living with HIV: current approaches and future directions
Sarah C Leeper, Brian T Montague, Jennifer F Friedman and Timothy P Flanigan

Fathers and HIV: considerations for families
Lorraine Sherr

Data availability on men's involvement in families in sub-Saharan Africa to inform family-centred programmes for children affected by HIV and AIDS
Victoria Hosegood and Sangeetha Madhavan

Children of female sex workers and drug users: a review of vulnerability, resilience and family-centred models of care
Jennifer Beard, Godfrey Biemba, Mohamad I Brooks, Jill Costello, Mark Ommerborn, Megan Bresnahan, David Flynn and Jonathon L Simon

The impact of HIV and high-risk behaviours on the wives of married men who have sex with men and injection drug users: Implications for HIV prevention
Sunil S Solomon, Shrutti H Mehta, Amanda Latimore, Aylur K Srikrishnan and David D Celentano

Family-based HIV prevention and intervention services for youth living in poverty-affected contexts: the CHAMP model of collaborative, evidence-informed programme development
Arvin Bhana, Mary M McKay, Claude Mellins, Inge Petersen and Carl Bell

Family-centred HIV interventions: lessons from the field of parental depression
Mark Tomlinson

Submission process

Manuscripts must be submitted by one of the authors of the manuscript, and should not be submitted by anyone on their behalf. The submitting author takes responsibility for the article during submission and peer review.

To facilitate rapid publication and to minimize administrative costs, *Journal of the International AIDS Society* accepts only [online submission](#).

Files can be submitted as a batch, or one by one. The submission process can be interrupted at any time - when users return to the site, they can carry on where they left off.

See below for examples of acceptable word processor and graphics file formats. Additional files of any type, such as movies, animations, or original data files, can also be submitted as part of the publication.

Thank you!
