My view on implications

The MDGs: 2001-2015

- Millennium Declaration (Sept. 2000)
- Millennium Development Goals (2001)
  (1) Eradicate extreme poverty & hunger
  (2) Achieve universal primary education
  (3) Promote gender equality & empower women
  (4) Reduce child mortality
  (5) Improve maternal health
  (6) Combat HIV/AIDS, malaria& other diseases
  (7) Ensure environmental sustainability
  (8) Develop a global partnership for development
- MDG deadline (2015)

What next?

MDGs as a catalyst for global AIDS response?

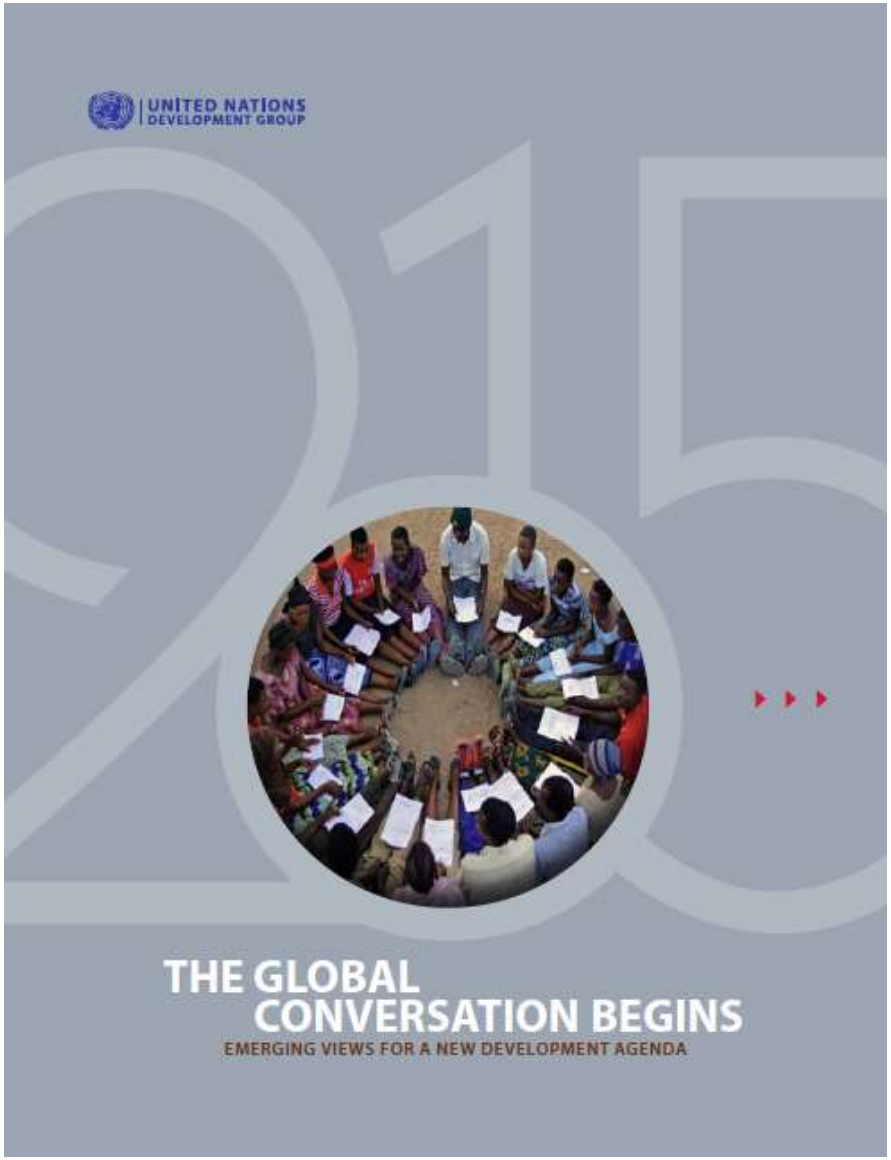
UNDG consultations



Draw from what's worked…

- Unfinished business of MDGs
- Goals: universal, measurable, time-bound, limited in number, compelling

…and look to the future

- Explicit localization of goals
- Human rights, inequalities, sustainability, quality, young people

UNDG global thematic consultation on health

DEVELOPMENT GOAL
Sustainable wellbeing for all

Health

Gender equity, wealth, education, nutrition, environment, security etc.

'Hardwiring' equity

HEALTH GOAL
Maximizing healthy lives

UN DEVELOPMENT GROUP: OPEN AND INCLUSIVE GLOBAL CONSULTATIONS

Post-2015 development agenda

IS IT MORE INCLUSIVE?
IS IT MORE EQUITABLE?
IS IT SUSTAINABLE?

UNDG Initiative based on 3 pillars of work:

1. National consultations:	2. Thematic consultations:	3. Global Outreach:
Lead by the UN Resident Coordinators and building on on-going consultations, they will feed into the post-2015 formal process.	with academia, media, private sector, employers, trade unions, civil society, and decision makers on current central challenges to development .	Using web, social media, mobile telephony and other means to allow open interaction and information exchange among a range of stakeholders.
